
MANCHESTER MICROSCOPICAL AND NATURAL HISTORY SOCIETY

(Established 1880)

PROGRAMME 2009-2010 130th Season

All meetings are held in the Stopford Building (Medical School) University of Manchester M13 9PT,
corner of Oxford Road and Aker Street (next to the Holy Name Church), Manchester,
from 7 p.m. to 9 p.m.

2009

Thursday
17th September **No Meeting**

Thursday
15th October **Open Meeting: Theme Microscopes** *Members & Guests*
The meeting will be devoted to members' and guests' exhibits.

Thursday
19th November **Thomas Brittain** *Sue Mclamb, Dave Place & Mike Walton*
See, touch and hear about the microscope, slides and microfungi
belonging to the 3rd President of the MMS (1882).

2010

Thursday
21st January **Beginners Digital Microscopy** *Members & Guests*
From equipment, setup, adjustment to picture editing and presentation.

Thursday
18th February **Beginning Microscopy & Histology** *Mike Mahon, Keele University*
Opportunity for members to be a first year medical student for an hour
and re-enact their first practical introduction to the microscope, stained
slides and tissues of the human body.

Thursday
18th March **130th Annual General Meeting**
Members' Exhibits and Gossip Meeting
The A.G.M. is a short business type meeting, which is followed by a
Members' Exhibits and Gossip Meeting and Demonstrations. All
exhibits, large or small, will be of interest, especially from beginners.

Thursday
15th April **Bees, Honey, Pollen** *John Charlton*
Explore the many bees in your garden and the nectar and pollen they
collect. The talk will be of interest to young persons, members and
families.

As usual we have good speakers arranged, bringing their experiences, images, slides, videos and exhibits. **All are welcome** – feel free to bring a friend or two. Non-members and members of other Societies are welcome. The Society's library will be available at all Stopford meetings and includes copies of our Newsletters and literature on microscopic history, as well as many books on microscopy and Natural History.
